

CLASSIC™ FRAME TENTS

The Classic™ frame and cover has the capability to extend its length to 100+ feet. This frame is a free standing aluminum frame structure that has no center poles. The use of mid extensions make the Classic™ a very versatile tent style.

CLASSIC™ COVERS

- Standard white covers are an exclusive high quality 1300 denier, 18oz. lacquer coated black-out vinyl which makes the cover easier to handle, store and clean.
- Solid colors and stripes available.
- Seams are 100% electronically welded.
- Expandable covers available in 10' and 20' inserts for 30' and 40' wide covers.
- Stainless steel buckles that prevent unsightly rust stains on your cover.
- Double reinforced straps and buckles.
- Vinyl grommets installed by R.F. welding on expandable covers.
- Cover storage bag included.

HOW DO THE COVER MID EXTENSIONS CONNECT?

To extend the length of any of the Classic frame tents there are 10' and 20' cover mid extensions that lace to the main tent cover. The diagram above shows how the loops from the extension fit through grommets on the main tent cover and then loop-lace together. A vinyl flap then covers and seals the lacing for a clean, seamless look.
