

# ELEGANT™ LINERS & DRAPES

*Elegant™ Tent Liners and flowing leg drapes will add a finishing touch of sophistication and elegance to any event. Tent liners are used as a stylish way to hide unsightly framework or just soften the atmosphere with soft pillowed fabric. Our expandable tent liners are manufactured with the highest quality flame retardant, true white polyester material and fabricated to fit and hang perfectly even after years of use. No tent accessory gives such an elegant polished result.*

## HOW ARE THE LINERS INSTALLED?

Elegant Tent Liners were designed for easy installation. The liners and drapes simply attach to the curtain rope sewn on the inside perimeter of the tent and lift into place with a simple rope and pulley system (shown to the right).
